

OCALA EDC
MARION COUNTY
great for business. great for life.

COMMUNICATIONS

In our global economy it is imperative for businesses to have a strong telecommunications system at their fingertips. Ocala and Marion County are served by professional companies dedicated to keeping your company linked world-wide.

Cox Communications/Cox Business Services, City of Ocala Telecom, and CenturyLink, offer powerful network services to keep your company in touch at high speeds. Voice Over Internet Protocol (VoIP), Asynchronous Transfer Mode (ATM) and Frame Relay Technologies are just a few of the services available. More than 5,000 miles of fiber optics are ready to provide you with the security you need at the speed of light.
